## HOBBIES/INTERESTS/SPORTS

I like to play the piano in my free time, read books, spend time with my family and watch movies.

## OBJECTIVE IN THE PROGRAM

My main objective is to continue acquiring international experience while I practice my vocabulary and knowledge. It's really important for me to know different places and make new friends from another country. Another important reason to participate in this program is to know more about hospitality since I had worked two times in this industry and I found something interesting in this career, so I would like to know more about it.
